TECC's Revival Prayer Notes August 2012

中華基督教福音協進會 – TECC Ministries 23444 永和區保生路一號 20 樓

親愛的關顧在臺外籍人士委員會的朋友們平安!

Despite a hot summer TECC is working hard to reach out among the unreached foreigners of Taiwan. All of us have experienced several typhoons and I am sure were praying for our expatriates to be unharmed from strong rains and moving ground. Even stronger than those rainfalls was the life changing grace of our LORD this summer. The following contributions to the August TECC prayerletter underline this.

印尼事工: 李桂安(0988-787-010):

印尼事工: 李桂安(0988-787-010): 弟兄親愛的弟兄姐妹，平安，感謝神的恩典，八月初，有機會到香港，訪問參觀 K-PACT (<http://kpactinternational.wordpress.com/> <http://k-pact.blogspot.com>) 對印尼看護的事工（在香港教會稱印尼看護，叫“印尼姐姐”）。我訪問了 3 個 ICC (Indonesian Care Center) 都是由教會支持的。其中一個剛開始 3 個月，來到中心的印尼姐姐還不多。其他兩個都已開辦兩,三年以上。他們發展非常成功。我參加了一個 ICC 主日崇拜，竟然有 50 多個印尼姐姐參加，還有包頭的姐姐，會後在另一大堂，有生活綜合聚會，有 150 多位印尼姐姐，在那裡唱詩歌，聽故事，家鄉消息，等活動。印尼同工說，香港有很多個教會，機構在發展”印尼姐姐“事工，新主的印尼姐姐，成百上千！我聽了十分驚奇，直呼感謝讚美主！Telimakashi-Tuhan-Yesus！只可惜這不是在臺北，桃園...臺灣！主既在香港行奇事，照樣在臺灣要行更大的奇事！感謝住這位 K-PACT 的鄭弟兄月底會來台，介紹香港的“印尼姐姐”事工。

印尼事工: 李桂安(0988-787-010): The TREE OF LIFE Church Dedication - A great multi-lingual church moves to a new place! (24.June 2012)

It is afternoon. A great and special sunny day in Kaoshiung! – About 300 friends, including the international choirs and guests were filling the beautifully renovated rooms of the Tree of Life's church new location. After month of praying and hard work the LORD not only showed the Kilgore's where the new church location shall be, just in time he opened many expatriates heart to assist in the much time consuming and hard work of cleaning, repairing and renovating of the empty building only a few steps away from the former place. The dedication worship was full of praise for what the LORD had done. The assembly got a taste of what we will see in heaven when people from all nations and tribes will bow their knees and praise the lamp worthy to be worshipped. (Rev. 7)

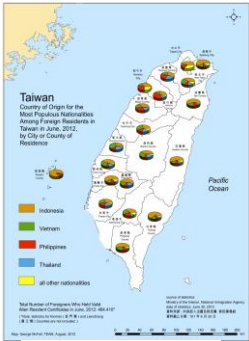

Indonesian Gospel of Luke: Print in Progress

Praise the LORD we are now one step further and the gospel of Luke in Indonesian is in the process of being prepared for print. Also now we have enough funds to order the printing of this desperately needed tool and would value your prayers for quick progress. May we soon have this edition ready for thousands of Indonesians waiting for the Gospel in Taiwan!

Dedication Service

Thai Women Day (Aug 12), Prison Ministry (Rev. Dr. I. & E. Scharrer)

Like every year this year this day was used by the Thai churches as a time to visit Thai women and spend the Thai in festive activities filled with evangelistic testimonies. Despite big joy about a new more economic VW bus there are still persistent unresolved problems with other busses. The Thai ministry much depends on the mobility of for visitations. Recently one VW on the way to the service suddenly stopped functioning. It was not until after midnight that the bus was moving again. That the real problem for those two busses can be found and be repaired. Pray for Mrs..P. Mam Tidarat in Nankan with her arm problems, and that the doctors find what the root for her health problems. Especially pray for the upcoming evangelistic meetings in the prisons, where God recently blessed three bigger detention center campaigns. In each of this centers in *Ilan, Hsinchu und Sanxia* are 100 inmates. In the challenge to always have translation in five languages one day the translator for Indonesians could not help out. Rev. Chang especially for this need shortened his time in Indonesia, came back and was there to preach the good news. Several became Christians and invited Christ in their lives! For the coming weeks several evangelistic events with Thais are scheduled:

Chiayi : Indonesian Ministry (Rebekah reports:)

Chiayi Indonesian Ministry(Rebekah reports:) Thanks the LORD for a good meeting with 50 attendees at the Indonesian National Day event. Actually there were also Vietnamese and children from the Indonesians women's Taiwanese families attending the program. The "forna bride kids" were dancing. All of them within this cultural exchange and learning were happy and excited. One of the Vietnamese bride even asked: " Are you planning for the Vastness event , too?" Wow! Is God opening a door for more? - We could only say " Hallelujah, praise God for what He did!!" Maybe our fellowship one day becomes an international one, consisting of Indonesia, Vietnam and Philippine? I don't know, but God knows! Thanks so much for all your prayers.

Lamry and May (Indonesian Ministry):

we need to pray for this Saturday and Sunday is Indonesia new year and we will be pass out leaflets in the taoyuan railway station. And we will go back to LA next Monday for our visa.We welcome missionary couple Lamry and May from Indonesia in our midst. We have waited for them for many months are a glad to see them coming to encourage us and serve the Indonesians in Taiwan! Lamry and May both are still looking for their most effective place to live in Taiwan and would appreciate our supporting prayers.

Among Filipino in Chiayi and Hsinchu (Rev. Dr. Ron Adhikari)

In July 29 35 Filipino were baptized in Chiayi, in August 10 38 Filipinos accepted Christ at an evangelistic concert in Kaoshiung. Only two days later at another evangelistic concert in Hsinchu even 65 Filipinos accepted Christ. We praise the LORD for this and ask for your prayers for the continued ministry among Filipinos in Taiwan.

Maps about Foreign Residents on our TECC Blog, <http://tecc-resources.blogspot.com>

There has been a need for an overview of Taiwan's Foreign residents for a long time. This summer we managed for the first time to summer. The following contributions to the August TECC prayerletter underline this. Since planting churches in many of the still unreached areas of Taiwan is much easier by including the foreign residents in the planning it is time to make this kind of information available. – Please note the numbers of residents are changing every month (the number of new churches not yet!).

Also for this year TECC values your prayers and friendship. We hope to report more about the ministry among Vietnamese more again. If you should have in a ministry among Indonesian, Vietnamese, Thai or Filipino and would like us to pray for you please feel free to let us know.
